Department: City Manager's Office

AGENDA ITEM DESCRIPTION: SETH Grant Application

STAFF BRIEFING/RECOMMENDATION: This application is for a sum of \$50,000 total. We are suggesting to spread this amount over 2 years commencing time of allotment or January 1, 2023 (whichever is later) to end by December 31, 2024 assuming all funds are allocated by that time. If not, extend from that date until funds are expended accordingly.

Options to expend the funds if/when awarded would include the following methods or combinations thereof:

- Use towards rental assistance. Funds would be allocated through a partner such as Salvation Army.
- Provision of funds to help build/rebuild a home in La Marque. Funds would be allocated through a partner such as Habitat for Humanities.
- Provision of funds to assist those who have succumb to a recent fire within city limits. Funds to be distributed through a partner such as American Red Cross.

HISTORY:

This opportunity was allegedly granted to the City of La Marque in some capacity approximately 3 years ago and funds were used to help complete a home for a local veteran.
