Applicant Instructions: Provide electronic copies of Permit Application and Bid Tab to the City. Deliver to the City, a hard copy of the application and permit fees prior to start of construction. CAD drawings shall be furnished if requested by the City.

NOTICE TO CONTRACTORS: Copies of Licenses, Insurance & Bond Information on All Associates with this permit must be on file with the City. This permit becomes null & void if construction or work authorized is not commenced within six [6] months of permit date, or if construction or work is suspended for a period of one [1] year at any time after work is commenced.

I hereby certify that I have read & examined this application & know the same to be true & correct. All provisions of laws and ordinances governing this type of work will be complied with, whether specified or not. The granting of a permit does not presume to give authority to violate or cancel the provision of any other state or local law regulating construction or the performance of construction.
